Buddy & Tammy contributed untold hours to coordinate the Morongo Valley Youth Sports League, host the Halloween event and music festival; host the Christmas event, coordinate the toy give-away and the annual MV Light Parade. They also are very busy "behind the scenes" assisting with everything from storm clean-up; skate park repair and tree removal. Their efforts benefit countless residents and shape the culture of MV. (I hope the Board of Directors follows the community's wishes and awards the Volunteer of the Year to the nominees with the greatest number of votes... unlike last year when the awardee's nomination wasn't rec'd by deadline. No offense to the awardee – please don't encourage resident's to participate in a process when there is a predetermined outcome.)
