

RESOLUTION #2022-05

A RESOLUTION OF THE BOARD OF DIRECTORS FOR THE MORONGO VALLEY COMMUNITY SERVICES DISTRICT AND THE MORONGO VALLEY FIRE DEPARTMENT FOR ADOPTING A SCHEDULE OF FEES FOR THE RECOVERY OF FIRE PROTECTION, EMERGENCY MEDICAL SERVICES, FIRE INSPECTIONS/PREVENTION, TRAFFIC ACCIDENT RESPONSES, RESCUE SERVICES, AND HAZARDOUS MATERIALS RESPONSE COST.

WHEREAS, The Morongo Valley Community Services District (District) and the Morongo Valley Fire Department (Fire Department) has found operational expenses exceed tax revenues for providing the services that it is charged with providing under the Fire Protection District Law of 1987 (California Health and Safety Code Section 13800 *et seq.*); and

WHEREAS, The Fire Department is authorized under Health and Safety Code Section 13916 to recover operational cost reasonably borne in providing said services; and

WHEREAS, The Fire Department provides fire protection, emergency medical services, fire inspections, fire prevention services, rescue services, and hazardous materials emergency response services to the businesses within the District, and to both residents within the District and to non-residents working in, visiting, or traveling through the District; and

WHEREAS, The District and the Fire Department have made a reasonable calculation of the cost it bears in providing fire protection, emergency medical services, fire inspections, fire prevention services, rescue services, and hazardous materials emergency response services; and

WHEREAS, The fees established by this resolution are based upon the San Bernardino County Fire Protection District's fiscal year 2022/2023 fee schedule listed in attachment (A) and the supply and replenishment fees listed in attachment (B).

NOW, THEREFORE, The Board of Directors for the Morongo Valley Community Services District and the Morongo Valley Fire Department hereby ordains as follows:

SECTION 1: STATUTORY AUTHORITY

This Resolution is enacted pursuant to California Health and Safety Code Sections 13910 through 13919.

SECTION 2: APPLICABILITY

This Resolution establishes the cost-recovery fees charged by the District and/or the Fire Department in accordance with Health and Safety Code Section 13916. By adopting this resolution, the District and/or the Fire Department are enacting user fees to recover the cost associated with providing fire protection, emergency medical services, fire inspections, fire prevention services, rescue services, replacement cost for damaged equipment, consumable supplies, and hazardous materials emergency response services as defined in Section 3.

SECTION 3: DEFINITIONS

- A. "District" means the Morongo Valley Community Services District and its sphere of influence.

- B. "Fire Department" means the Morongo Valley Fire Department which is a part of the Morongo Valley Community Services District.
- C. "Fire Protection Services" means providing Fire Inspections/Fire Prevention services as the authority having jurisdiction, emergency medical services, fire suppression, response to illegal burn activities, water salvage, any and all types of rescue calls for service, special event stand-bys, hazardous materials response, and any other type of calls for service.
- D. "Hazardous Material Emergency Response Services" means services provided by the Fire Department in response to a spill of hazardous materials including, but not limited to, perimeter establishment, evacuations, donning of personal protective equipment, deploying breathing air and detection equipment, robot deployment, set-up and removal of a decontamination center, detection equipment, recovery and identification of chemical/material, disposal and environment clean-up.
- E. "Rescue" services mean services provided by the Fire Department in response to a motor vehicle accident, mine shaft rescue, water rescue, low or high angle rescue incident, confined space rescue, or any other type of incident requiring a rescue.
- F. "Damaged Equipment" means any fire apparatus, equipment carried on the fire apparatus, personal protective gear, station uniforms, and any other equipment that is damaged as a result of being used on an emergency response.
- G. "Consumable Supplies" mean any one-time use of fire supplies or emergency medical services supplies.
- H. "Illegal Fire" means a fire intentionally or negligently set that is proximately caused because of a violation of a federal, state, or local law, including, without limitation, an arson fire and a fire set in violation of a burning ban, order, or Resolution. An illegal fire does not include a fire caused by act of nature.
- I. "Responsible Party" means any individual, firm, corporation, association, partnership, commercial entity, consortium, joint venture, government entity, or other legal entity that (1) receives Emergency Services or whose employee or agent receives Emergency Services; (2) is contractually required to indemnify a person or legal entity for charges related to Emergency Services, such as an insurance company; (3) any owner, tenant occupant or party in control of real and personal property from which, onto which, or related to which there is an Emergency Incident and their heirs, estates, successors and assigns and (4) any owner, tenant occupant or party in control of real and personal property that benefits from Emergency Services and their heirs, estates, successors and assigns. In circumstances where the Department provides emergency medical care and/or transport, the direct recipient of the services will constitute the responsible party. In the case of emergency medical care and/or transport being provided to a minor, the responsibility party shall be the parents or guardian of the minor. As used above, a responsible party shall be deemed to "receive" Emergency Services even when those Emergency Services are not directly rendered to the responsible party, but are rendered in relation to the responsible party. An example would be the rendering of Emergency Services in relation to a motor vehicle accident.
- J. "Stand By" means when personnel and/or resources made available and dedicated to a specific event for the purpose of providing emergency service response or other agreed upon assistance. This does not include Department resources assigned to cover emergency responses within another jurisdiction under an established mutual aid agreement.

K. "Utility Line Failure" means the disabling of any transmission or service line, cable, conduit, pipeline, wire or the like used to provide, collect or transport water, sanitary sewage, storm sewage, electric, natural gas, communication or electronic signals (including, but not limited to, telephone, computer, cable television and stereo signals or electronic impulses) where the failure presents a threat to public health or safety.

SECTION 4: FIRE DEPARTMENT RESPONSE AND SERVICE FEES

- A. Fire Department service fees to recover reasonable cost borne by the District and/or the Fire Department in providing such services to each person are established in the amounts specified in "attachments (A) and (B)," attached hereto and incorporated herein.
- B. Fire Department service fees shall be charged to all residents and non-residents of the Morongo Valley Community Services District regardless of the incident requiring a response from the Fire Department.
- C. Low-income residents and/or tenants with balances over \$500 may request a fee waiver from the General Manager. Persons must meet the Federal Poverty Guidelines and have no active insurance. Applicants are limited to two (2) fee waivers per calendar year.
- D. Fire Department service fees shall be charged to all businesses regardless of location and regardless of the type of incident requiring a response from the Fire Department. Fire Department service fees may be charged to residents and/or tenants within the Morongo Valley Community Services District for any response including but not limited to an incident resulting from:
 - a. A violation of any federal, state, or local laws.
 - b. Gross negligence.
 - c. Any intentional act resulting in a threat to life, environment, and/or property.
 - d. Illegal/unauthorized burning of any substance.
 - e. Nuisance calls such as, but not limited to:
 - i. Response to more than three false alarms to any location within a 30-day period.
 - ii. Response to a call to assist patient with changing adult diaper.
 - iii. Response to a call to pick up TV clicker from floor.
 - iv. Lift assist more than three times a month.
 - v. Assist patient going to restroom, cleaning patient, and walking patient back to bed.
 - vi. Response to a residence to let pets outside.
 - vii. Any other type of response deemed a nuisance by the Fire Chief.
 - f. Response to illegal fireworks.
 - g. New building construction or remodel of existing structure(s) for purposes of plan reviews and inspections to ensure compliance with applicable codes.
- E. The Fire Protection Service Fees shall be charged to each person or entity who receives said services provided by the District and/or the Fire Department during a single incident.

SECTION 5: FEE COLLECTION

- A. The District and the Fire Department provide services as described in section 3 above to a person and/or a business, the Fire Chief, or a designee, will cause an invoice to be generated and mailed to the business and/or person who received the service and to the

insurance company that provides insurance coverage for the business and/or person (the “insurer”), if the business and/or person, or his or her representative, has identified to the District and/or the Fire Department the insurer to which the invoice should be mailed to.

- B. The District, upon receipt of funds from the Fire Department service fees, shall place all funds received into a restricted account for the Fire Department to offset the cost for the purchase of personal protective equipment, radio communications equipment, fire apparatus, fire suppression equipment, fire station furnishings, computers, tablets with LTE wireless connections, computer software, stationary, kitchen utensils and supplies, bathroom supplies, and for the maintenance of all fire department apparatus, equipment, and fire station building which allows the Fire Department to deliver the required services to the District and to areas within the sphere of influence.

SECTION 6: ADMINISTRATION OF THE FEES

The Fire Chief, or designee, may delegate all or some of the tasks required for the administration of the fees to any other public agency in San Bernardino County or to a third-party cost recovery company. The administration of fees will consist of tasks including, but not limited to, tracking of applicable services provided by the District and/or the Fire Department, identification of financially-responsible parties, calculation of fees to be charged, invoicing and payment collection, and the processing of waiver request and appeals.

SECTION 7: NO EFFECT ON FIRE PROTECTION SERVICES

This resolution neither expands nor limits the Fire Protection Services provided by the District and/or the Fire Department. Nothing in this resolution relieves the District and/or the Fire Department from providing such services. Fire Protection Services will continue to be provided without regard to whether a business and/or a person is insured by an insurer, without regard to whether a business and/or person can pay the fee(s), and without regard to whether a business and/or a person has or has not paid the fee(s) in the past.

Section M - Waiver/Refund of Fees:

- (1) This Section M is effective the date the Ordinance is effective. In the event of a disaster, or other good cause shown to serve a public purpose, the Fire Chief may defer payment of, waive, or refund any fee set forth in this Ordinance or any other fee levied by County Fire provided all of the following conditions are met:
 - (A) Exigent conditions exist whereby obtaining Board of Directors approval of the fee waiver/refund/deferral would not be immediately feasible; and
 - (B) County Fire receives concurrence from the Chief Executive Officer.
- (2) Except as otherwise provided by law, the Board of Directors, by Board action, can defer payment of, waive, or refund any fee set forth in this Ordinance or any other fee levied by County Fire provided one of the following conditions is met:
 - (A) The service for which the fee was levied has not and will not be performed, or
 - (B) The fee was collected in error, or
 - (C) For other good cause shown, provided such waiver/refund would serve a public purpose.
- (3) Notwithstanding (1) and (2) of this Section M, the Fire Chief may refund:
 - (A) Any fee collected in error or that results in an overpayment, and/or
 - (B) Unused deposit monies on actual cost projects when all charges for the project have been recorded.

NOTE: Pursuant to Government Code section 29375.1, the San Bernardino County Fire Protection District shall not be required to issue a refund of \$10.00 or less.
